Yada! Look at my new uniform. The clothes shop's owner
Mistook me for an idol! Haha
But if I was pregnant? He kept asking if I was pregnant, what did he mean by that?
That means that
If you were pregnant
...HUHP HUHP
...HUHP

DN: This is where the deceased only on to and brother with the dialects comes to lets us. In a dialect, he's asking why Thirty-five is also and bones. In normal speech, this sounds the same as if he's pregnant.

Pull like door out
Why doesn't he slow open off the door?
?
Pull what out?
That, pull the door out
THAT'S how you claim we!
Yada!
I'm really good at this
Whoever pulls the door out, follow me.
LOL

DN: Same as above. Dialect: Seoul-ians. Normal speech: Pull the door out.
